Acme AI Limited — Privacy Policy (EU/UK)

Last updated: 1 January 2025. Controller: Acme AI Limited, 3rd Floor, The Merchants Building, Sir John Rogerson's Quay, Dublin 2, D02 X576, Ireland. Data Protection Officer: privacy@acmeai.example.

This policy explains how we collect, use, share and protect personal data when you use our SaaS platform, website and related services.

1. Definitions and Interpretation

1.1 "Personal Data" means information relating to an identified or identifiable natural person. References to "Personal Data" include, where the context permits, any successor or assignee thereof.

2.1 "Processing" means any operation performed on personal data. References to "Processing" include, where the context permits, any successor or assignee thereof.

3.1 "Controller" means entity determining purposes and means of processing. References to "Controller" include, where the context permits, any successor or assignee thereof.

4.1 "Processor" means entity processing on behalf of controller. References to "Processor" include, where the context permits, any successor or assignee thereof.

5.1 "Special Categories" means data revealing racial origin, health, biometric data for identification, etc. References to "Special Categories" include, where the context permits, any successor or assignee thereof.

3. Data We Collect

We may collect: (1) account registration data (name, email, employer, role); (2) usage and telemetry data (IP address, device identifiers, feature usage, logs); (3) customer content uploaded to the platform for document analysis; (4) billing and payment records; (5) support communications; (6) marketing preferences where consent obtained.

4. Legal Bases (GDPR Article 6)

Contract performance for providing the Services; legitimate interests for security, product improvement and fraud prevention balanced against rights; consent for non-essential cookies and marketing; legal obligation for tax and regulatory records.
